Here at Smilling Pups, we specialize in bringing joy.  
Both to the dogs who we help find forever homes, and to the humans who will love them for years to come.

Our pups come from individuals who were not able to keep and care for them. Our mission to find a second chance with a family that is looking to add a new member and enrich their lives. We exclusively use foster families to house our pups, allowing us to put all of our resources towards adoption and pet education.

Looking to do something truly rewarding? Consider opening your home and yard to a Smilling Pup! Foster families play a critical role in our process - socializing, housing and caring for the pups. All expenses are paid, and it's a great way to do some good and maybe try out the idea of adding a dog to your family in a pressure-free way.
